

***At least that is what we think.**

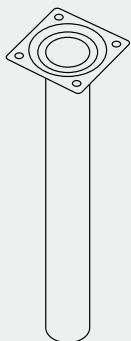

Our complete furniture leg program provides for stability. It doesn't matter which piece of furniture or which wooden table top you need furniture legs for: We have the fitting solution for this. Select from different round and square furniture legs or decide for the complete sets.

FURNITURE LEGS

We have something to help with wobbly furniture and tables: our furniture leg assortment. It doesn't matter which height and if it is square or round – everyone is guaranteed to find the right thing here.

METAL FURNITURE LEGS ROUND

FURNITURE LEG round Ø 1.2"

- The 1.2" Ø metal leg is available in different dimensions, colours and surfaces.
- The optional adjusting screw fitted with an M10 thread compensates for uneven floors.
- With inserted adjusting screw, the metal leg has a load capacity of 66 lbs.

EXPAND TELESCOPIC LEG Ø 2"

- The telescopic leg EXPAND permits the table height to be individually adjusted to the required height. This opens up a wide range of different applications – even where an obstacle such as a window ledge is in the way. The table also grows in step with the legs!
- Two different leg lengths provide an adjustment range from 23.6" to 35.4" and 31.5" to 47.2".
